Oxford and Cambridge Society of India (OCSI) Scholarships:

The Oxford and Cambridge Society of India (OCSI) Scholarship is awarded to the candidates opting for any undergraduate, graduate, research, or certificate program at the University of Oxford and University of Cambridge.

The Oxford and Cambridge Society of India selects one scholar every year for the scholarship. However, the number is subject to change as per the decision of the association.

OCSI is a part-cost scholarship, which benefits academically and provides Indian students with financial aid during their study.

The OCSI Scholarship is available for several programs at Oxford University and Cambridge University. Furthermore, students opting for admissions in any college affiliated with the mentioned universities can also apply for the scholarship.

Location - UK

Deadline - 15th May 2021

Eligibility - All Undergraduate, Graduate and Postgraduate Students.

QS scholarships:

QS awards a range of scholarships worth 7 million USD to international students through its Scholarship Schemes which targets candidates with demonstrated academic excellence and achievements. The plethora of QS scholarships are designed for students keen on pursuing undergraduate, graduate, or PhD programs at a QS partnered university.

Students can apply for QS scholarships of their specific area of interest either through the QS Events App (available on the App Store or Google Play) or by visiting the official website of QS.

1. It is significant for students to obtain admission offers from their chosen university before applying for QS scholarships.
2. Scholarships are applicable for all major ranking universities in Canada, UK, the USA, Australia, Germany, etc.
3. QS Scholarships range from USD 2,000- USD 10,000, depending upon the awarded scholarship program.
4. Selections are primarily based on the applicant's academic merit and leadership potential.

Before applying for the QS scholarships, applicants must qualify for respective exams to study abroad as it comes under the eligibility criteria for admissions in various institutes.

Through the QS scholarship scheme, students can study in top colleges in the UK, USA, and any country of their choice covered under the scholarship scheme.

Location - Canada, UK, USA, Australia, Germany

Deadline - 31st May 2021

Eligibility - All UG Students.

KOSPIE:

“Combined Study and Practice Stays for Engineers from Developing Countries (KOSPIE) with Indian IITs” is based on an MoU between the IITs and the TU9.

This scholarship programme funds students to work on their master theses at the German host university, i.e. one of the TU9 Technical universities.

The programme at the respective Technical Universities in Germany will begin on 1st September 2021 with a month-long German language course.

The DAAD scholarship application procedure is online, like in the previous years. The applicants must apply online and upload all required documents through the application portal

www.portal.daad.de.

Universities who are not accepting any students this year:

- TU Berlin and Stuttgart.
- KIT Campus Alpin, Garmisch-Partenkirchen.

Conditions to apply:

1. The nominated candidates must have a confirmed placement at the host university in Germany,
2. They should have completed all the required credits at IITKgp.
3. Only students from M.Tech. (2-year programme) in their 2nd semester and Integrated or Dual Degree scholars in their 8th semester are eligible to apply.
4. The applicants must apply online and upload all required documents through the application portal www.portal.daad.de.
5. The students must apply online first and, after that, submit the application to Dean IR within the deadline of 26th March 2021, 17:00 hrs IST.

Deadlines :

The deadline to submit the applications at OIR is 26th March 2021 by 17:00 hrs IST. The students need to send their applications to ir-office@adm.iitkgp.ac.in.

OIR DOES NOT ENCOURAGE late submissions.

Please visit the website www.funding-guide.de for more information and the announcement.

IITKGP-University of Alberta Joint Doctoral Degree Program:

This opportunity is also open for Senior Research Scholars at IITKGP although it is desirable that research scholars are in their first or second year of Doctoral Studies. Faculty members from the University of Alberta and IITKGP will identify research projects for the joint degree students as part of their doctoral studies. The thesis will be evaluated by each Institute according to its own rules. As per the agreement, the student will be required to spend a period of 6 – 12 months in the host institution during the course of his/her doctoral studies.

Applications are being invited for this program. The deadline for the submission of applications is 14 th March 2021.

Interested students may contact Ms. Koushiki Mukherjee (koushiki@adm.iitkgp.ac.in) at the Office of International Relations.

Location - India and Canada

Eligibility - Research Scholars at IITKGP

Deadline – 14th March 2021
