

## **NATA Score Based Scholarship**

Poornima University's NATA Score Based Scholarship is a unique opportunity designed for young architecture aspirants. The purpose of this award is to honor students who have demonstrated outstanding ability and dedication to the subject of architecture by achieving remarkable results in the National Aptitude Test in Architecture (NATA). The NATA Score Based Scholarship at Poornima University offers both monetary assistance and access to a top-tier architectural education. Our institution strives to cultivate the future generation of architects by providing cutting-edge facilities, highly knowledgeable staff, and a curriculum that is in line with industry benchmarks. This award exemplifies our dedication to promoting exceptionalism in architecture education, guaranteeing that meritorious students are acknowledged and provided with the necessary support to flourish. Enroll at Poornima University and utilize your NATA scores as a pathway to embark on a profound architectural exploration. Submit your application now and allow your architectural ambitions to be nurtured at Poornima University.

Nata Score	Scholarship
● Above 115	● 90%
● 105 to 115	● 70%
● 95 to 105	● 50%
● 80 to 95	● 30%

### **Scholarship Norms**

- Scholarship is given on tuition fee only
- Current session score will be considered for the scholarship

### **Scholarship Continuation in the upcoming years**

- Scholarship is based upon SGPA of the previous year exam (Theory Papers Only)
- In case of any backlogs in the previous year, the scholarship would be discontinued for all the upcoming years
- Once a scholarship is discontinued, it will never be started again in the remaining duration of the program.
